SPECIAL - TRIATHLON

**154148 SONIC
racing**

**C3447
SILVER/BLACK/YELLOW**

Fitting : Regular Plus Last: precise fitting with larger toe box

Closure : 40mm Velcro strap engineered for triathletes. Small Velcro for fitting regulation.

Upper : Microfiber upper and Air mesh lining for ventilation and quick drying.

Insole : Removable insole with ergonomic support in EVA on the heel area.

Outsole : Carbon Reinforced Dual Sole: the new Carbon Reinforced sole is made from nylon and carbon. The combination of the two materials guarantees superb rigidity for a better transmission of thrust to the pedals. The TPU upper improves the way the sole edge adapts to the shape of the wearer's foot as well as absorbs vibrations transmitted by the pedal. Maximum performance and maximum comfort.
